

Easily Compare Different Document Types and Work Seamlessly with PDFs

gunnercooke

gunnercooke Rechtsanwaltsgesellschaft mbH

As part of the gunnercooke family, this German team of associates supports among others ambitious SMEs and startups with dynamic legal advice at each stage of their growth. They share the same entrepreneurial spirit as the business owners they represent, working closely with them to get deals done.

"FineReader PDF 15 is a single solution for all our documents tasks like comparing documents redacting and editing PDFs—at a great price."

↳ Nancy Rogal, Legal Assistant & Central Service

ABBYY distribution partner: itdk.biz

gunnercooke, a division of gunnercooke group, were looking for a PDF solution for their document workflows that could be used in the office as well as offline and on the go. With [FineReader PDF 15](#), they found a flexible solution at a great price.

Challenge

- Finding one single solution for document handling and PDF editing
 - Being able to compare different versions of documents (most important feature)
 - Finding a solution that is not too expensive and is easy to use

Solution

- ABBYY FineReader PDF 15 provided a single solution for all their PDF, OCR, and document tasks
- ABBYY offered a good solution for deployment within the company
- The introduction of FineReader went easily due to the self-guiding interface

Value

Time saving in the comparison of document versions, even in different formats

Redact, stamp, and edit PDFs with just a few clicks

Flexible deployment options in a distributed company environment

Great value for the price
